being exempted from payment of such toll. Toll for a laden cart has been fixed at four annas The present proposal is to toll unladen carts as well, recovering one anna on each such cart. The system of levying a toll on empty carts under exactly similar circumstances prevails at Nanjangude. Submitted for orders as to whether the proposal may be sanctioned

2 The draft notification submitted by the President does not contain the much required exemption granted in the order in respect of carts & animals conveying inflammable articles this defect may be pointed out to the President in the final order

3 The Rural Boards' present proposal is almost unique.

10 As Mohatarfa paying Carts are to be protected by a pass, I see no objection to the levy of the toll The proposal may be sanctioned, though I am inclined to think that the increase of revenue will be trifling.
